OUTPUTS

Participants	Activities	Products
WHO WITH	WHAT WE DO	WHAT WE CREATE
Local Authority	Promote use of Place & Wellbeing Outcomes	Paper and evidence on Place & Wellbeing Outcomes
NHS Board		
Health and Social Care Partnership	Project Town data on experience of inequality	Narrative/data profile for each town
Third Sector	Review existing community engagement	Narrative/data profile process document
Community Groups		
Elected Members	Carry out Place & Wellbeing Assessments	Place & Wellbeing Assessment reports
Private Sector	Facilitate new ways of making decisions in plans and proposals using Assessment outputs	Place & Wellbeing Assessment "how to" guide
	Set up and facilitate Local Learning Cohort meetings	Presentations, webinar, blog posts to share local learning
	Link with national ambitions	Evaluation reports

OUTCOMES - IMPACT

Short term (Mar 24)	Medium term (24-26)	Long term (26-31)	National
RESULT IN TERMS OF LEARNING	RESULT IN TERMS OF CHANGING ACTION	RESULT IN TERMS OF CHANGING ACTION	
Clarity on the positive impact the Place & Wellbeing Outcomes have on people, planet and inequality	Increased number of plans and proposals developed using place and wellbeing lens	Places achieving more Place & Wellbeing Outcomes improving access to:	Scotland's National Outcomes
The value of understanding local Project Town inequalities when making decisions	Effective place-based action grows using Place and Wellbeing Assessment process	<ul style="list-style-type: none"> - Travel - Spaces - Resources - Civic life - Stewardship 	Christie Commission
Decision makers are considering unintended impacts of plans and proposals on place and those who use it	Good practice continued, reviewed, developed and shared	For example:	Public Health Priorities
Place and Wellbeing Assessments activate new ways of place-based working that improves wellbeing and reduces inequality	Ongoing use of local data profiles enhances diversity of people involved in decision making	<ul style="list-style-type: none"> - opportunities for affordable active travel for all compared to car travel for some - ability to age in place in neighbourhoods with a range of housing type and density - local living is improving community cohesion and reducing social isolation 	Covid recovery
	Increased trust in public services		Place Principle
	Good practice for meaningful engagement widely implemented		Local living/ 20 minute neighbourhood ambition
